BRICS MULTIPLIER EVENTS

During March of 2023, the partners of BRICS organized their Multiplier Events. National and local administrations, NGO's and other private sector entities participated in the final events organized in partners countries, where the results of the project were presented and discussed, while important inputs and recommendations were provided.

The consortium of BRICS is committed to continue working on developing new tools and methods that will communicate the BRICS Project agenda to wider audiences at local and national level.
